

# MAINTENANCE TIPS

## For Best Results

After applying **303 Patio Furniture Protectant**, polish surface COMPLETELY dry. This leaves an enhanced appearance that is EXTREMELY repellent to dust, dirt, soiling and stains.

For maximum repellency and UV protection, reapply **303 Patio Furniture Protectant** sufficiently often to keep the 303-treated surface "looking like new". This is usually every 60 days of exposure.

## Vinyl

### Spa and barbecue covers and solid vinyl strapping:

After cleaning, spray on, then polish completely dry.

**Vinyl Mesh Furniture & Umbrellas:** After cleaning, apply **303 Patio Furniture Protectant** with a sponge, then polish completely dry.

## Teak

**303 Patio Furniture Protectant** soaks into teak to prevent drying out. After cleaning, apply **303 Patio Furniture Protectant**. Allow to soak in. After 5 minutes polish completely dry.

## Powder Coated Metal

Use **303 Patio Furniture Protectant** to restore lost color. Spray or use a sponge applicator to get the surface WET with the product. Polish COMPLETELY dry. Regular use prevents UV-caused slow fade.
