

Super-Concentrated. Super-Condensed. Super Smart.

Summer Wash*

So much cleaning power, so little space. A strong, super-concentrated formula, Honda Washer Tablets are a great way to save inventory space and add convenience. Twenty-five Honda Washer Tablets offers the same cleaning capacity as 25 gallons of windshield washer cleaner.

Just in time for the spring and summer months*.

Using them is just as convenient as storing them. Just add water, and Honda Washer Tablets dissolve quickly to produce a bright blue, high quality windshield washer cleaner. Biodegradable and specially formulated to remove road film, dirt and grime, Honda Washer Tablets leave your customers' windshields sparkling clean. And your shelf space free.

***This is a Summer Wash use only Windshield Washer tablet.
Do not use when weather falls below 32° Fahrenheit.**
